

City of Clarksburg Rain Barrel Initiative

Sanitary Board
Public Works Department

Application Fee \$60.00
Refund Upon installation \$35.00

The initiative consists of the City furnishing information regarding the City of Clarksburg’s MS4 Program and information on how rain barrels can help the water cycle, and instructions for the rain barrel and the kit that connects the rain barrel to the property owner’s downspout.

This process is a win-win partnership between the Community, the homeowner, and our local environment.

FAQ's

(Q) Can you deliver the rain barrels?

(A) No, we are unable to deliver the barrels. Please bring a vehicle large enough to transport the 55 gallon barrel. Barrels will fit in the backseat of 4-door sedans, however, if going in the backseat bring a blanket because the barrels may be dusty/dirty.

(Q) Where can I contact the organizer with any questions?

(A) City of Clarksburg, Jason Lane jlane@cityofclarksburgwv.com or Bryan Reed breed@cityofclarksburgwv.com or you can call 304-624-1633.

(Q) What is the return policy?

(A) We are unable to accommodate returns for a refund.

(Q) How do I receive my \$35 refund?

(A) Once your rain barrel is installed and you have submitted a photograph of the rain barrel at your home location, the installation will be verified, and a check will be mailed to the address the rain barrel has been installed at. Please allow a week after submitting your photograph to receive your refund check from the city.
